one penny red resident wine

montevecchio is an range of estate grown and hand made wines from the chalmers family's heathcote vineyard. with over 20 years experience in sustainable winemaking, and through their vine nursery established in the 1990's the chalmers family have helped pioneer the grape selection available to us today. the montevecchio wines are inspired by everyday drinking wines which are fresh and vibrant - often regional field blends - and designed to be enjoyed in their youth, while still showing structure and texture.
