David Murphy + Nina Alidenes + RJ Lines & the OPR team

One Penny Red focuses in sourcing wines that complement the contemporary style of its cuisine. In keeping with our own sustainable pursuits we enjoy working with growers who make wine with integrity and show respect for their land. In many cases the winemaking approach in the vineyard is sustainable, practicing organics and biodynamics. These wines are inevitably labour intensive and made by hand, some by conventional means, others by adopting a minimal intervention approach. It is a carefully picked list of what we believe goes well with our menu and importantly, tastes good too! Mostly, these wines are fresh and alive, and shine when being shared in good company.

We hope you enjoy this hand crafted selection and take away the experience of trying something delicious and accessible. The below table of contents will help you find your favourite drop.

Cheers
