

“What's clever about this excellent list, there's something for everyone and guaranteed delicious drinking.” *Gourmet Traveller Wine List of the Year Awards*

****Winner - 2019 NSW SOMMELIER'S AWARDS - Best NSW Wine List in a Sydney mid sized venue.**

A short note:

Thank you to our community, regulars, friends and family for all your well wishes over the past few weeks.

Our heads are spinning but we are pushing forward.

We have created a wine list for you to help you through this time and to be honest it will also really help us if you purchase some of these delicious drops. We don't know how long we will be closed for and we dream to reopen and rebuild with your help.

Again thank you and happy drinking.

David Murphy + Nina Alidenes + RJ Lines & the OPR team

One Penny Red focuses in sourcing wines that complement the contemporary style of its cuisine. In keeping with our own sustainable pursuits we enjoy working with growers who make wine with integrity and show respect for their land. In many cases the winemaking approach in the vineyard is sustainable, practicing organics and biodynamics. These wines are inevitably labour intensive and made by hand, some by conventional means, others by adopting a minimal intervention approach. It is a carefully picked list of what we believe goes well with our menu and importantly, tastes good too! Mostly, these wines are fresh and alive, and shine when being shared in good company.

We hope you enjoy this hand crafted selection and take away the experience of trying something delicious and accessible. The below table of contents will help you find your favourite drop.

Cheers
