

“What’s clever about this excellent list, there’s something for everyone and guaranteed delicious drinking.” *Gourmet Traveller Wine List of the Year Awards 2018*

One Penny Red believes in sourcing wines that complement the contemporary style of its cuisine. In keeping with our own sustainable pursuits we work with growers who make wine with integrity and have respect for the land. In many cases the winemaking approach in the vineyard is sustainable, organic and biodynamic. These wines are labour intensive and made by hand, some by conventional means, others by adopting a minimal intervention approach. Some may look cloudy, but that’s just leaving the good stuff in! It is an eclectic mix of what we believe goes well with our menu and tastes good too. Mostly these wines are fresh and alive, and love being enjoyed with or without food to show off their personality.

We hope you enjoy our selection of these hand crafted wines and take away the experience of trying something delicious and accessible.

**Be sure to look out for our winery profiles discussing some of our favourite wines currently available.

Cheers

** Maidenii Vermouth, Central Victoria

The nocturne is bittersweet aperitif or digestive. Nocturne combines a ten year old flor rose made from syrah & matured on vermouth lees in old French oak barrels with antipodean botanicals plucked from sleeping eucalypt forests to create this delicious amer. Wormwood plays a key role, supported by nine native botanicals with a strong focus on Australian bush fruits including muntries, ribberries, desert limes & quangdongs.

**Philippe Balivet, Bugey - Cerdon

Unlike the méthode champenoise, wines made by méthode ancestrale are not disgorged. Rather, they undergo primary fermentation until the alcohol level reaches roughly 6% and are then bottled. In bottle, the wine continues to ferment, but stops naturally at 8%, with a pleasant level of residual sugar remaining. So refreshing it makes it difficult to stop drinking.

****Ipsos Facto, Margaret River**

This exciting label is from Kate Morgan, the talented winemaker who this year was a finalist for Young Gun Winemaker of the Year 2018 plies her trade in Margaret River. Kate has sourced grapes from vineyard sites that allow little more savoury complexity in her wines. The chenin comes from 30-year-oldish vines, is hand picked, whole bunch pressed, has nine months in French oak and some lees work. In all it's a beautifully balanced wine.

RED WINE

****lite in colour, big on flavour**

Below is a list of some versatile reds that have both style and grace. They express purity of fruit whilst demonstrating the wine makers talent, showing a deft touch in the balance between flavour and acidity.

Tinto de Rulo

This is a fabulous expression of Chile's most exciting grape variety, Pais. There's an abundance of earthy strawberry aromas that follow through onto the lightweight palate, but it's not thin or sour, there's plenty of succulence and charming hints of rosehip and rhubarb on the finish.

tinto de rulo pipeño pais, 2016 bio bio valley, chile. 76

Fedellos do Couto

'Fedellos' is a Galician term, it means brats or young troublemakers. This wine has plenty of character! it's freshness, fine natural acidity and lower alcohol make it an alluring wine. In the winery the Fedellos follow a minimal interventionist path relying on indigenous yeasts only.

fedellos do couto bastarda, 2016 ribeira sacra, esp. 130

Frank Cornelissen

The 'Master of Etna', Frank Cornelissen has created a field-blend of mostly Nerello Mascalese (85%) with other local varieties from his old vine vineyards: Nerello Cappuccio, Alicante Bouchet, Minella nera, Uva Francesa and Minella bianca. A wine with high drinkability combining body and character of Etna: elegance, structure, fragrance and personality. Not as lite as the others but equally delicious.

frank cornelissen contadino nerello mascalese + blend, 2016 sicily, it. 95

Opi d'Aqui

Philippe Formentin produces this smashable light red from a single plot of three Grenache varieties. Hence this wine is a mix of 40% red, 30% grey and 30% white grapes that have undergone cold carbonic maceration for 3 to 4 weeks before being transferred to stainless steel tanks for 6 months.

opi d'aqui massale rouge grenache noir + blanc + gris, 2016 languedoc, fr. 105

Reds of the Jura

The Jura red is a remarkable, persistent, complex yet versatile option, often falling somewhere along the spectrum of floral and delicate, exotic and savoury

****La Stoppa, Emilia - Romagna.**

The natural wines of La Stoppa are amongst the most sought after in Italy. Guided by the intelligent and passionate owner Elena Pantaleoni and renaissance man winemaker, Giulio Armani, the small family owned estate is located in the province of Piacenza. The estate practices organic viticulture, with only copper and sulphur treatments used in the vineyard. The vines are guyot trained and are planted at a density of 6000 vines per hectare producing incredibly low yields. The Macchiona is a 50% Barbera & 50% Bonarda blend from vines planted in 1973 and shows the depth of flavour and balance that only old vines can bring.

****Sami-Odi, Barossa Valley**

Fraser McKinley has developed his own style of Barossa Valley shiraz. All his fruit comes from just one vineyard - Hoffmann's, with vines planted between 1888 & 1912! Fraser is a very dear friend and I am very happy to offer these evolving, rare & beautifully handmade wines.

****Rioja.**

Rioja occupies relatively high ground (300 - 650 mtr) in the north of Castile, which crosses into the lower Basque country, so there are 'many Riojas' to discover and interpret. For example, la Rioja Alta grow their fruit on the high slopes that delivers a wine full of Mediterranean orchard fruit aromas including nectarines and pomegranates.
