

“What’s clever about this excellent list, there’s something for everyone and guaranteed delicious drinking.” *Gourmet Traveller Wine List of the Year Awards 2018*

One Penny Red believes in sourcing wines that complement the contemporary style of its cuisine. In keeping with our own sustainable pursuits we work with growers who make wine with integrity and have respect for the land. In many cases the winemaking approach in the vineyard is sustainable, organic and biodynamic. These wines are labour intensive and made by hand, some by conventional means, others by adopting a minimal intervention approach. Some may look cloudy, but that’s just leaving the good stuff in! It is an eclectic mix of what we believe goes well with our menu and tastes good too. Mostly these wines are fresh and alive, and love being enjoyed with or without food to show off their personality.

We hope you enjoy our selection of these hand crafted wines and take away the experience of trying something delicious and accessible.

**Be sure to look out for our winery profiles discussing some of our favourite wines currently available.

Cheers

** Maidenii Vermouth, Central Victoria

The nocturne is bittersweet aperitif or digestive. Nocturne combines a ten year old flor rosé made from syrah & matured on vermouth lees in old French oak barrels with antipodean botanicals plucked from sleeping eucalypt forests to create this delicious amer. Wormwood plays a key role, supported by nine native botanicals with a strong focus on Australian bush fruits including muntries, ribberries, desert limes & quangdongs.

This is mostly saignee Pinot Noir from the Meadowbank vineyard. Not happy with the chunky, chewy bits so often found in the bottom of other Pet-Nats, Peter Dredge has disgorged each of these bottles and topped them with still fermenting Riesling juice to give a fresh and fizzy drink which is ready for guzzling. Just 50 doz made.

OPR Wine Club Sommelier Selection.

Season 4

We are very excited to announce the *One Penny Red Wine Club* calendar for 2019. These evenings are an opportunity to explore, discuss, taste and enjoy wines from around the world in an educational and relaxing social environment.

Each month we will be offering limited stock of the featured wine, winemaker, region or vintage to celebrate these great nights.

February's wine club 'A Mosel River Cruise' discussed the grace & power of Riesling, in particular the wines of the Mosel, Germany. These are amongst the finest rieslings in the world, characterised by the steep, slated terraces that can only be managed by the winemakers hand. We are very excited to offer you these stellar wines.

To help, we have listed each producer and have indicated the levels of sugar, however, the sugar level doesn't equal sweetness as the naturally acidity of these wines are pure and at times racy! Just another reason why the Mosel is such a wonderful region.

****Weingut heymann-löwenstein, Terrassenmosel**

Stephan Reinhardt works without numbers, instead focuses on flavour. This dry wine is a great intro to Mosel.
heymann-löwenstein schieferterrassen, 2016 mosel, ger. 127

****Weingut Clemens Busch, Mittelmosel**

****Ipso Facto, Margaret River**

This exciting label is from Kate Morgan, the talented winemaker who last year was a finalist for Young Gun Winemaker of the Year 2018 plies her trade in Margaret River. Kate has sourced grapes from vineyard sites that allow little more savoury complexity in her wines. The chenin comes from 30-year-oldish vines, is hand picked, whole bunch pressed, has nine months in French oak and some lees work. In all it's a beautifully balanced wine.

****The mystique of the Jura, France**

One Penny Red is showcasing this fascinating, intriguing and alluring appellation of french wine. Jura whites shimmer and are vibrant with life. Concentrated, full of character and balanced. Enjoy this selection of majestic wine!

Domaine de la Pinte

Located in Arbois. In 1999, the 34 hectares were converted to organic viticulture, then in 2009, to biodynamic viticulture. La Pinte wines are Jura classics. A blend of both vintage 2014 savagnin & wine under veil.

domaine de la pinte cuvée d'automne sous-voile savagnin + chard, nv arbois, fr. 98

Jacques Puffeney

This classic Jura version of Chardonnay transforms this grape into an entirely different and compelling experience than what one experiences with white Burgundy. The concentration of all elements is exceptional with brisk acidity married to a honeyed-texture and notes of hazelnut, beeswax and the fresh mountain air that infuses the great wines of this region. After vintage 2014 Jacques retired making this wine quite historic!

Les Dolomies

Les Dolomies takes its name from the magnesium limestone found in the area. The iridescent marls over limestone outcrop extensively in the vineyards allowing winemaker Céline Gormally to produce rich, racy all textured wine

RED WINE

****life in colour, big on flavour**

Below is a list of some versatile reds that have style, grace with a little funk thrown in good measure. They express purity of fruit whilst demonstrating the wine makers talent, showing a deft touch in the balance between flavour and acidity.

Eloquesta Wines

Wine maker Stuart Olsen has experimented with 80% black muscat grapes (usually made as a fortified) and fermented it with 20% viognier essentially making it like a red wine. Sits on skins for about 16 days and then pressed to tank. It has the colour of a dark cherry rose and displays a gorgeous fragrance of musk, mangosteen, dried peaches and fresh apricots plus potpourri. It's has a balanced yet phenolic backbone with texture and grip to the tannins. As Stuart says 'It's like Campari on steroids!'

eloquesta blush black muscat + viognier, 2017 mudgee, nsw. 59

Tinto de Rulo

This is a fabulous expression of Chile's most exciting grape variety, Pais. There's an abundance of earthy strawberry aromas that follow through onto the lightweight palate, but it's not thin or sour, there's plenty of succulence and charming hints of rosehip and rhubarb on the finish.

tinto de rulo pipeño pais, 2016 bío bío valley, chile. 76

Mosse

Winemakers Agnès & René Mosse are well known and loved by locals in the Loire Valley where their wines feature in most natural wine bars and restaurants wine lists. Le Gros is a relatively new cuvée comprised of the Anjou favourite grape variety, grolleau noir blended with gamay, grolleau gris and côt - otherwise known as malbec. The grape bunches were macerated together in a manner approaching carbonic maceration. It is a soft, energetic, elegant, well-structured and eminently drinkable red wine that exhibits considerable charm and character.

mosse le gros gamay + côt + grolleau noir, 2017 loire valley, fr. 94

Foradori

Elisabetta Foradori is largely responsible for resurrecting Trentino's much forgotten teroldego grape from the brink of extinction, and producing some of Italy's finest wines. The Lezèr, aka lazy by Foradori is a red/rosé wine from teroldego grapes, which comes from an assembly of 10 wine-making trials in amphora, wood, steel and cement. It is a wine known for its fragrant and fruity aromas with a refreshing finish.

foradori lezer teroldego, 2017 alto adige, it. 81

Reds of the Jura

The Jura red is a remarkable, persistent, complex yet versatile option, often falling somewhere along the spectrum of floral and delicate, exotic and savoury.

****The wines of Piedmont**

Red wines reign supreme in this region with many great indigenous grape varieties. Dolcetto and Barbera are both dry and generous but Piedmont's claim to wine fame is the Nebbiolo grape, a noble red variety that some of the greatest wine in Italy. The proof of Nebbiolo's nobility is its wines: Barolo and Barbaresco commonly know as the 'king & queen' of red wines.

****Rioja.**

Rioja occupies relatively high ground (300 - 650 mtr) in the north of Castile, which crosses into the lower Basque country, so there are 'many Riojas' to discover and interpret. For example, la Rioja Alta grow their fruit on the high slopes that delivers a wine full of Mediterranean orchard fruit aromas including nectarines and pomegranates.
